

## “AROUND TOWN”

AN UPDATE ON NEWS AND EVENTS FROM  
PORT CHARLOTTE/NORTH PORT  
AND THE SURROUNDING AREA

*May 2019*

Allegiant Airlines has now started construction of SUNSEEKER RESORT...what is planned to be the largest waterfront resort in the State of Florida.

Those of you who visited the community and stayed at the Sheraton Four Points Hotel could have walked across the bridge over Charlotte Harbor to the 22 acre site of this project that will forever change the entire region.

- ✚ The cost to construct SUNSEEKER is \$420 MILLION
- ✚ The project is expected to generate over 300 construction jobs
- ✚ When completed SUNSEEKER will create over 500 full-time jobs
- ✚ SUNSEEKER is expected to add 300,000 visitors to the area each year!

Phase 1 of the project is planned for 510 hotel rooms and 180 extended stay units; in three nine-story waterfront towers. The resort will also feature 17 restaurants, bars, and cafes; a health club and spa; shops, meeting space, a boardwalk along the Harbor; a TIKI Bar and a full service marina.

We welcome SUNSEEKER to the area. It means so much to both you and to us! That Allegiant chose our backyard to build this massive project just confirms how very special the area is to so many people. And it just keeps on getting better!
